

I pack a waste-free lunch

How to play

Use your counter to travel the board by packing a waste-free lunch for school. Throw the exact number to finish.

Start

2

3

No wrappers in your lunch box. Go ahead 10 spaces.

4

Eek ...your sandwich is in a zip lock bag today. Move back 2 spaces.

5

21

You pack leftovers but throw away the reusable containers. Move back 7 spaces.

22

23

You remembered to give your banana skin to the worms. Move to space 27.

1

20

7

Yay ...you put your apple core in the compost not the general waste bin. Move forward 7 spaces.

6

19

You put your yoghurt in a reusable container. Move forward 3 spaces.

24

8

10

You wrap your lunch in foil today and scrunch and throw it in the recycle bin. Move back 2 spaces.

Finish

9

26

You buy a box of crackers and bring some in a small container. Move forward 2 spaces.

11

17

27

29

You brought homemade biscuits in a beeswax wrap today. Move to the finish line.

12

You brought a single serve juice box rather than a reusable water bottle. Go back 7 spaces.

14

16

28

15

Nature provides its own wrapping so you left your fruit unpackaged. Move ahead 3 spaces.
